Introduction

Exemplary Testing

Visit the page <https://test.skb-virtuell.de:8080/admin/>

The following tests various elements on the skb-virtuell website and generates a report as a user manual.

This does not encompass testing the entire website, as the test operations are based solely on exemplary processes.

B Publishing an exhibitor

Visit the page <https://test.skb-virtuell.de:8080/admin/>

Click on **Content Manager**

Click on **Aussteller**

The screenshot shows the Strapi Dashboard interface. On the left is a sidebar with the 'Content Manager' section selected. Under 'Content Manager', the 'Aussteller' (Exhibitor) collection is highlighted. The main area displays the 'Aussteller' list view, showing 2 entries found. A table lists the entries with columns for ID, FIRMA, TELEFON, HOMEPAGE, and STATE. The first entry is 'Testfirma AG' with phone number '+49 123 45678 - 0' and state 'Draft'. The second entry is 'Testindustrie GmbH' with phone number '+49 234 56789' and state 'Draft'. A 'Create new entry' button is in the top right. The bottom of the sidebar shows the 'Editor' role.

You are now in section **Aussteller**

Click on any **Draft** entry

The screenshot shows the 'Testfirma AG' edit view. The main area contains a form with fields for 'firma' (Testfirma AG), 'telefon' (+49 123 45678 - 0), 'homepage', 'strasse' (Musterstraße 1a), 'adresszusatz', 'plz' (12345), 'land' (DE), 'aktualisieren' (FALSE), 'ort' (Musterstadt), 'printmedia' (Add relation), 'messestand' (Add relation), and 'fachvortrag' (Add relation). On the right, there is an 'Editing draft version' section with 'INFORMATION' showing 'Created 9 days ago' by 'Editor' and 'Last update 60 seconds ago' by 'Editor'. A 'Delete this entry' button is at the bottom right. The top right has 'Publish' and 'Save' buttons. The bottom of the sidebar shows the 'Editor' role.

Click on **Publish**

The screenshot shows the 'Testfirma AG' edit view after publishing. A 'Success: Published' notification is displayed at the top. The 'Publish' button has changed to 'Unpublish'. The 'Editing published version' section on the right now shows 'Created 9 days ago' by 'Editor' and 'Last update 52 seconds ago' by 'Editor'. The 'Delete this entry' button is still present. The bottom of the sidebar shows the 'Editor' role.
